

## ***Professional Flight Training, Inc.*** **Receives FAA Approval to Provide Owners/Operators of Eclipse 500/550 Jets with Required Initial and Recurrent Pilot Training**

Scotia, NY, May 1, 2009 – Al Itani President and CEO Professional Flight Training, Inc. and Designated Pilot Examiner announced today that it has received Federal Aviation Administration approval to provide Eclipse 500 pilots with required Initial/recurrent training.

All Eclipse 500/550 pilots must receive recurrent training at either six or twelve month intervals, depending on pilot experience.

The FAA has Accepted Professional Flight Training's program under Part 61 of the Federal Aviation Regulations and FAA Advisory Circular AC 61-137, which specifically addresses the unique training requirements of the Eclipse 500/550 jet.

Professional Flight Training's Eclipse 500/550 Initial/recurrent training program includes computer based systems training, classroom training and flight training. The program is based on Professional Flight Training's successful training program for its professional Advanced Pilot training program.

We were the first to receive FAA approval of our training program in 2 weeks time. Professional Flight Training is based at Schenectady County Airport (KSCH), in Scotia New York. We provide Advanced Pilot training, Crew services and Aircraft Management.

You can Schedule your recurrent training on line at <http://www.aviationtrainingcenter.com> or call (518) 573-8534 at any time.
